Privacy Statement

This electronic communication and any associated attachments are intended only for the person or entity to which it is addressed and may contain proprietary and/or confidential information that, unless otherwise agreed to in writing, remains the property of Heneghan and Associates, P.C. Any review, retransmission, dissemination, reliance upon, or other use of this information by persons or entities other than the intended recipient is prohibited.

Depending upon the nature of this communication, the attached drawings or data distributed to you may be preliminary or may have not yet undergone a quality control review process. Therefore, any design files, data, or recommendations included herewith should not be used for final design without written verification of its status with the appropriate Heneghan and Associates, P. C. project manager.
